

# Tox Club Membership Policy

## Membership

The Tox Club allows you to spread the cost of your anti-wrinkle treatments with convenient monthly payments. Membership is subject to consultation, ongoing medical suitability and prescribing requirements where applicable.

## Monthly Payments

Payments are collected automatically each month. Missed or failed payments may result in treatment being postponed until your account is up to date.

## Treatment

Treatments are carried out at clinically appropriate intervals and remain subject to medical assessment.

## Membership Cancellation

You may cancel your membership at any time. However, all membership payments are non-refundable, and no refunds will be issued for payments already made.

## Missed Appointments

Please provide at least 48 hours' notice if you need to cancel or rearrange your appointment. Late cancellations or failure to attend may result in the loss of that treatment session in accordance with the clinic's Cancellation Policy.

## Medical & Prescription Treatments

Prescription-only treatments require approval by an independent prescriber. Prescription consultation fees are separate from membership payments and are non-refundable once completed.

## Agreement

By joining Lindsey Facchini Aesthetics Tox Club, you confirm that you have read, understood and agreed to this Membership Policy.
